

I am a listener to K-LOVE radio station and do not want LPFM stations to take priority over current FM translators. K-LOVE serves me and our community by providing uplifting and family oriented programming on a daily basis. It is a staple in my life. Many people I come in contact with are turning to K-LOVE for encouragement, often for the first time. It has a great effect in that it allows me to introduce someone to God in a musical manner. This service is of great interest to my community in that it provides a christian alternative to mainstream music. It will only continue to enhance the lifestyle Topeka has to offer.

I encourage you to act in a manner that will not allow LPFM stations priority over existing stations. Thank you for your attention to this request..
